**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer, I choose a competitive provider! I like Broadband! I'm saying NO to price hikes that will increase the cost of internet and telephone services. I am very satisfied with my competitive provider - the price and service are better, and they don't lie to me about how much my service will cost. They don't charge exorbitant prices to change providers. We need a competitive market for Internet and phone service. The the FCC should support competitive market. No monopolies.
